

PARK OF THE WEEK RECAP – OCTOBER 15

MIAMI LAKES, Fla.— The Orange Bowl Youth Football Alliance (Orange Bowl YFA) presented by Sports Authority visited five sites on Saturday, October 15, 2011 as part of its Park of the Week program. The Orange Bowl YFA Park of the Week program presented by Sports Authority recognizes select youth football teams across South Florida each Saturday during the fall. This past Park of the Week schedule involved visits to the West Boca Tackle Football League, the Palm Beach Youth Football League, the West Boynton Youth Football League and the Western Communities Football League. These four leagues are all members of the Orange Bowl YFA and represent four of the six recreational leagues under the Orange Bowl YFA umbrella. Additionally, during this past Park of the Week schedule, the Orange Bowl YFA visited the Broward Canes and Broward Panthers, members of the National Youth Football League. The National Youth Football League is one of three competitive leagues with membership in the Orange Bowl YFA.

Now in its 13th season, the Orange Bowl YFA presented by Sports Authority serves more than 16,000 young football players and cheerleaders in nine youth football leagues across nine South Florida counties and has invested approximately \$4.5 million in youth sports in South Florida since 1999. In addition to its continued support of the Orange Bowl YFA, the Orange Bowl directly supports locally-based festivals and events, including those that provide participatory opportunities to youth from all over the world, such as Junior Orange Bowl, Orange Bowl Sailing Regatta Series and the Orange Bowl International Tennis Championships.

For 77 years, the Orange Bowl has been one of South Florida's leading civic organizations, driving tourism and economic development, while supporting scholarships and community athletic facilities. Inspiring thousands of student athletes every year, the Orange Bowl's activities help foster youth confidence, celebrate student achievement, engage the community and enhance the South Florida economy.
