

2020 Orange Bowl Creative Art Contest Official Rules

OBJECTIVE

Students K-12 in Miami-Dade and Broward County will have the chance to participate in the 2020 Orange Bowl Creative Art Contest, which focuses on a different theme every year. All students K-12 in Miami-Dade and Broward County are eligible to submit artwork and have the opportunity to win one of 14 prizes.

In order to adhere to physical distancing protocols and guidelines, this year's contest entries must be submitted digitally. Students, parents and/or teachers must take a photo of the completed artwork and submit on the Orange Bowl website (see below for details).

The Orange Bowl has sent contest rules and instructions directly to all schools in South Florida, so before entering this contest on your own, check with your teachers first to see if your class is submitting artwork together.
