Suite holders on the South/East/West sideline will be issued permits for the Blue Lot located outside stadium South/East/West Gate. LIMOUSINE PARKING
Hard Rock Stadium has developed an exclusive parking area for all limousines and professionally driven vehicles. The limousine lot is located in the Walmart parking lot off NW 199th St. Limousine parking permits should be purchased in advance through the Orange Bowl Ticket Office (305) 341-4701. Permits are $200 in advance and $300 on the day of the game. There will be no drop-offs at any stadium gate. All guests will proceed on foot from their limousine parking space. With a large number of limousines coming to the stadium, all similar in appearance, it is important that all limousines remain in the same parking space, making it easier to find post-game. The roadway that circles the stadium is a fire lane, and must be kept clear at all times. Therefore, it is important that all limousines park in the limousine lot and not in front of any stadium gate.

RV PARKING
Recreational Vehicle (RV) parking is located on the Northeast side of the stadium. The entrance to the RV Lot is Parking Gate 14. The RV Lot has its own entrance and exit providing easier access to and from the lot. RV parking permits can be purchased through the Orange Bowl Ticket Office, (305) 341-4701 for $200 in advance. Parking the day of the game will be $300 per vehicle.

*There will not be any overnight RV parking. Day of game only.

BUS PARKING
Charter buses will be parked on the West side of the stadium as shown on the stadium parking map inside this brochure. All buses will enter through parking gate 10. Buses arriving to the stadium from any other direction will be directed to parking gate 10. Please carefully note the carrier company, bus number, and light pole number where the bus is parked prior to entering the stadium. Carriers should purchase Bus Parking Permits prior to game day through Orange Bowl Ticket Office (305) 341-4701. Bus Permits are $250 in advance and $350 on the day of the game.

DISABLED PARKING
Hard Rock Stadium has disabled parking spaces in addition to Gate 4 drop-off/pick-up zones located at stadium gates North and South. ADA parking in the interior lots must be reserved in advance. Lots 13, 16, and 18 have ADA spaces available on a first come, first serve basis as long as a valid pass has been purchased in advance. Upon arriving, the individual who has been issued the disabled placard must be present in the vehicle and present proper identification in order to access disabled parking. Once parked, the valid state-issued placard must be displayed. Out of state placards and registration will be accepted.

GENERAL PARKING
Premium Parking (orange, blue, maroon) is $50 in advance for all general parking lots immediately adjacent to the stadium. To access any of the general parking areas, please refer to the stadium parking map above. Parking permits can be purchased in advance through the Orange Bowl Ticket Office at (305) 341-4701 or orangebowl.org/parking.

Tailgating is permitted within the limits of allocated purchased space in all lots North of NW 199th Street. However, parking gates 15, 16, 17, and 18 on the South side of NW 199th Street are parking areas where tailgating is not permitted.

The actual seat locations may vary from year to year based on availability.

WILL THE ORANGE BOWL FOLLOW THE SAME PROTOCOL AS THE NFL’S BAG POLICY?

The NFL has maintained its safety policy for all stadiums this year, which includes Hard Rock Stadium where the 2021 College Football Playoff Semifinal at the Capital One Orange Bowl will be played. The safety policy affects the type and size of bags that are permitted into the stadium — not the items that fans normally need to bring to a game. Fans may continue to carry pocket items such as keys, makeup, combs, phones, wallets and credit cards.

Below are the approved bags fans may carry into the stadium:
One bag that is clear plastic, vinyl or PVC and does not exceed 12” by 6” and 12” or a one-gallon clear plastic freezer bag (Ziploc bag or similar).
In addition to one of the clear bags noted above, fans may also carry in a small clutch bag or purse approximately the size of a hand, with or without a handle or strap.
An exception will be made for medically necessary items after proper inspection at Gate E designated for this purpose.
Diapers and wipes can be carried in a clear bag. Each member of a family, including children, will be able to carry an approved clear bag and a clutch purse, providing ample storage capacity.
Fans will continue to be able to tailgate with their usual items in the parking lots. Items such as smart phones, binoculars and cameras will still be permitted into the stadium. This policy is meant to speed up the process of entering the stadium along with increasing security measures.
