Don Stensnick III
Mario Trueba

COMMITTEE CHAIR BOARD MEMBERS (EX OFFICIO):
Marion A. Hill     Trellanee Moore

For the current Board of Directors, please visit orangebowl.org/committee/officers.
The Orange Bowl Committee was created in 1935 with a mission of generating tourism for South Florida through an annual football game, now known as the Capital One Orange Bowl, along with supporting events. Since then, the nonprofit organization has expanded beyond Greater Miami to become a regional cornerstone with an ever-expanding legacy of community impact.

From Lake Okeechobee to the Florida Keys, Orange Bowl promotes championship sporting events, related premier entertainment and other year-round activities to inspire youth, engage the community and enhance the South Florida economy.

For nine decades, Orange Bowl’s service and commitment to South Florida has been as diverse as the residents that live here. Whether it is the millions of dollars injected into the local economy by hosting premier athletic competitions, or the support of thousands of students and young athletes through academic programs and community events, Orange Bowl continues to leave an indelible mark on the neighborhoods and people it serves.

Supporting these efforts are more than 400 committee members, 30 full-time staff and roughly 1,000 ambassadors who dedicate their time to make Orange Bowl and our community stronger.

MAKING AN IMPACT

has been committed by Orange Bowl and its partners to improving the South Florida community over the past two decades.

$40 MILLION
ORANGE BOWL BY THE NUMBERS

- Orange Bowl Field at Harris Field Park
- Orange Bowl Field at Glades Pioneer Park
- Orange Bowl Field at Mitchell Moore Park

MAKEOVER PROJECTS
- School Learning Center Makeovers
Every year, Orange Bowl transforms the lives of thousands of kids through its support of a variety of youth sports programs and initiatives.

The notorious Orange Bowl Youth Football Alliance (OBYFA), which is headed into its 25th year, is home to thousands of youth football players and cheerleaders stretching roughly 150 miles from Lake Okeechobee to Key Largo. Prominent NFL stars including Geno Smith, Dalvin Cook and others launched their football stardom from the OBYFA.

Orange Bowl also supports youth programming in golf (Orange Bowl Drive for Excellence Girls Golf Program), tennis (Orange Bowl International Tennis Championships), sailing (Orange Bowl International Youth Sailing Regatta), softball (Orange Bowl Florida Fastpitch Softball Invitational), track & field (Orange Bowl FLYTAF Invitational), and more.

In 2017, Orange Bowl launched the Orange Bowl Florida High School Football Showcase presented by Baptist Health, and the Orange Bowl Florida High School Basketball Showcase presented by American Airlines in 2021. Both events offer hundreds of student-athletes a unique opportunity to showcase their talents for Division II, III, NAIA and JUCO educational institutions with the goal of playing at the next level and earning a college degree.
Orange Bowl continues to provide outstanding educational programs and opportunities for South Florida students and teachers.

For example, the Orange Bowl Leadership Academy (OBLA), an after-school mentoring program for middle school students in Miami-Dade and Broward counties, provides educational and interactive guidance designed to unleash potential and provide inspiration.

In addition, the Orange Bowl Creative Art Contest engages students from kindergarten through high school with an opportunity to win prizes such as tickets to the Capital One Orange Bowl.

Orange Bowl also supports a number of scholarships to assist students in their higher education goals, including the Orange Bowl Beigel-Feis-Hixon Valor Award, which honors the Marjory Stoneman Douglas coaches who lost their lives protecting their colleagues and students in the senseless tragedy that occurred at the Parkland school.

In partnership with the College Football Playoff Foundation, Orange Bowl activates and supports South Florida educators through its Extra Yard for Teachers program that provides professional development, entertainment and recognition to teachers.

25,000 hours dedicated to mentoring students in OBLA in 2022-23

"The OBLA teacher facilitators are amazing in what they do to support these students. They teach them discipline and dedication… they lift them up at the end of the school day and teach them all that it means to be a leader."

- Penny Shaffer, Orange Bowl Committee Member
Orange Bowl’s year-round community engagement efforts reach every corner of the South Florida community.

The organization engages directly with local residents by hosting events such as the Sunshine Health Orange Bowl Family Fun & Fit Day presented by PNC Bank; volunteering with organizations at food and supply distributions; and participating in toy drives.

Funds raised from events like the GA Telesis Orange Bowl Golf Tournament presented by First Horizon; the Orange Bowl Food & Wine Celebration presented by Florida Blue; and the AvMed Orange Bowl 5K presented by Celebrity Cruises support local nonprofits including Make-A-Wish Southern Florida, Special Olympics Florida, and Camillus House.

Additionally, Orange Bowl provides support to community partners through events and programs, including the Brian Piccolo Scholar Athlete Awards Banquet and the Junior Orange Bowl.

We are grateful to the Orange Bowl Committee for their incredible support and generosity. Due to their commitment to Make-A-Wish Southern Florida, we are able to continue to create life-changing wish experiences for hundreds of wish children and their families.

- Norm Wedderburn, Make-A-Wish Southern Florida President & CEO
Orange Bowl focuses on projects designed to have a lasting impact on the day-to-day lives of South Florida residents, through our Legacy Parks and Media Center Makeovers.

Six parks throughout the tri-county area have undergone transformation and renovation thanks to Orange Bowl and its partners: Moore Park in Miami, Carter Park in Fort Lauderdale, Ives Estates Park in Miami-Dade County, Harris Field Park in Homestead, Glades Pioneer Park in Belle Glade, and Mitchell Moore Park in Pompano Beach. The renovations benefit nearly one million South Floridians annually and include brand new football fields, state-of-the-art facilities, locker rooms, concessions, scoreboards, track & field areas, and more.

In collaboration with the College Football Playoff Foundation and other key partners, Orange Bowl has renovated more than 30 school media centers in South Florida’s tri-county area, providing new modernized classroom furniture and equipment to encourage a more creative environment. These spaces benefit approximately 30,000 students and teachers in Miami-Dade, Broward and Palm Beach counties each year.

"These enhancements [of Orange Bowl Field at Mitchell Moore Park] will only bolster the opportunity these children have to enrich their lives through sports on a state-of-the-art Orange Bowl Field."

- Pompano Beach Mayor Rex Hardin

$25 MILLION

has been committed by Orange Bowl and its partners to legacy programs.
Orange Bowl hosted a robust portfolio of annual events in 2022-23, thanks to the support of committee members, sponsors, community partners, dedicated volunteers and staff. From sports competitions that generated significant economic impact to fundraising events and community programs, Orange Bowl’s presence in the South Florida community remained steadfast.

Under the lights at Hard Rock Stadium just before the new year, Tennessee’s redshirt-senior quarterback, Joe Milton III, led the No. 6 Volunteers to a dominating 31-14 victory over No. 7 Clemson in the 2022 Capital One Orange Bowl.

The matchup made for a very orange Orange Bowl (both teams have it as their primary color) and the first-ever meeting between head coaches Josh Heupel and Dabo Swinney.

This was the Volunteers first Orange Bowl win since 1939, culminating in an 11-win season for the first time since 2001.
